

bonus episode | show notes| new book releases by Sarah Raven & Arthur Parkinson

Episode Description

With both of the “**Grow, cook, eat arrange**” podcast hosts launching brand new books this spring, this special bonus episode delves into what you can expect to read from each of them.

Tracing the year from January to December, Sarah’s new book (the first in 10 years!) “**Sarah Raven’s A Year Full of Flowers: Gardening for all seasons**”, provides inspiration, planting ideas and expert advice for a beautiful garden all year round.

Arthur Parkinson’s “The Flower Yard” follows Arthur, as he gardens through the seasons in pots. It is a beautifully visual yet personal and highly informative read on his love for bold colours, cut flowers and bees.
